**LET US CREATE YOUR
IDEAL FESTIVE**

Celebration

Join us this Christmas season for one of our fabulous party nights and make this year's Christmas party one to remember! Celebrate in style at one of our Winter Wonderland Parties.

At 7.30pm make your way through to our Bridgewater Suite where your four course dinner will be served. After dinner our DJ will have the room on its feet until 1.00am with music old and new.

If you would prefer to experience a more laid back Christmas party where you can eat to your heart's desire, then join one of our Traditional Festive Buffet Parties. Served in our Restaurant from 7.30pm then dance the night away to our DJ's festive tunes.

Enjoy the party atmosphere by starting the night early and gather for pre-dinner drinks in our bar & lounge from 7.00pm.

Available on Fridays and Saturdays throughout November and December.

Alternatively, if you are planning a private party we can arrange a tailor-made experience that you will never forget. Please contact our Christmas team who will be happy to discuss your requirements and propose something a little different.

A long overdue catch-up with friends, a well-earned celebration with colleagues, a thoroughly deserved family dinner... whatever your reason for joining us, we're here to help you celebrate this festive season.
